# Moroccan Wood Work

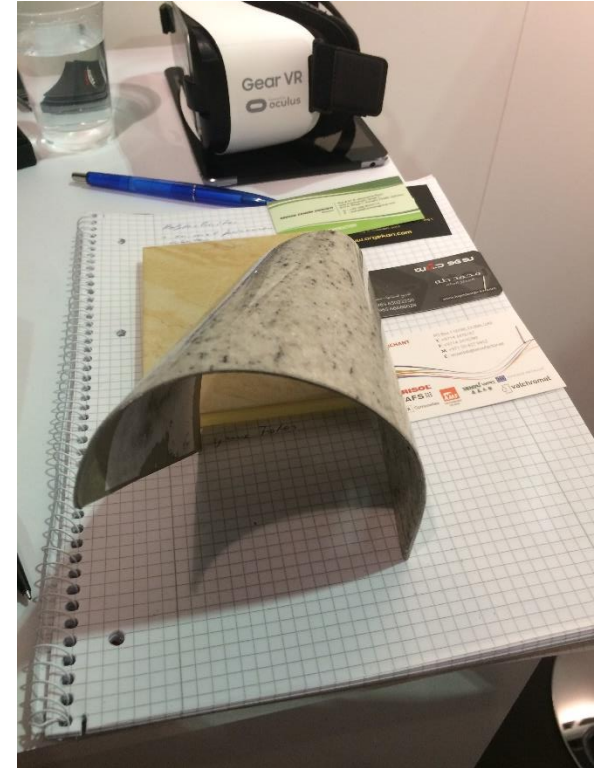

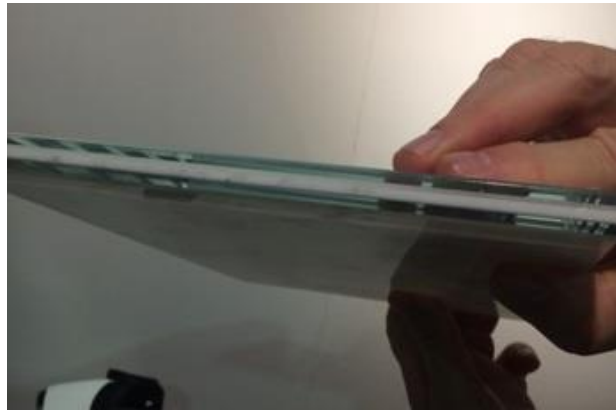

# Pergola with Adjustable Louvres

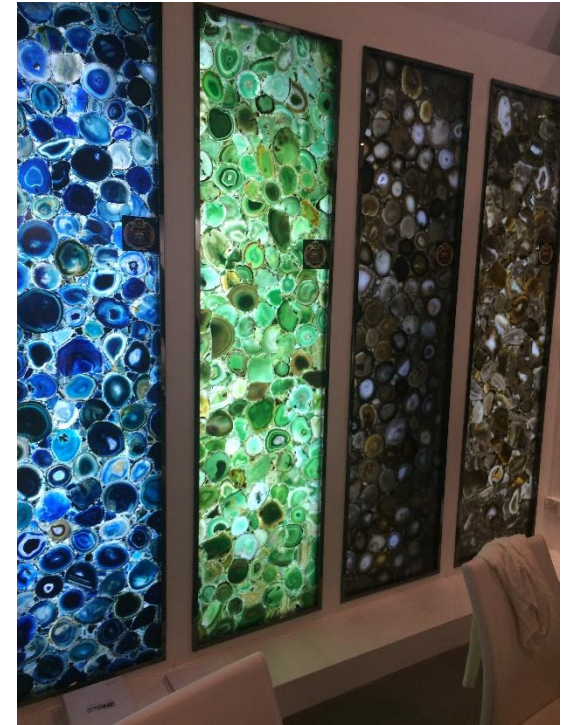

Adjustable Roofs are constructed from power coated **marine grade aluminum**. They are very strong, lightweight, and will **NEVER RUST** or need repainting. That is why they come with a **30 year warranty**.

# Marble Veneer

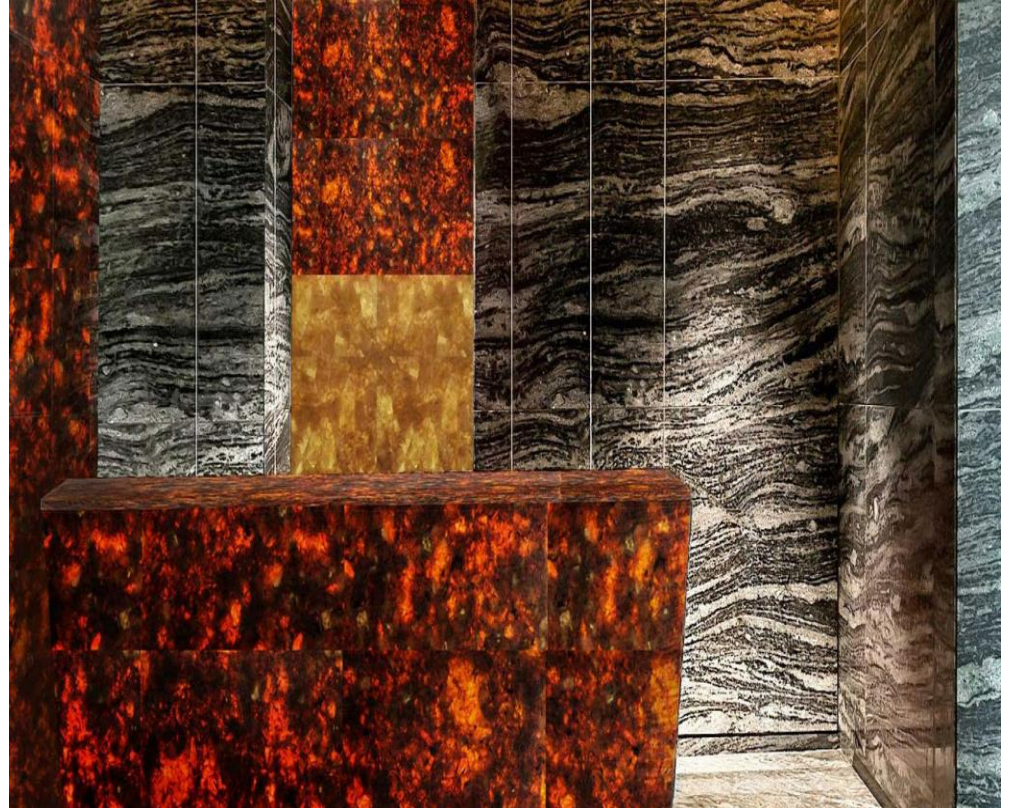

# Backlit Crafted Marble

# Fancy Steel Cladding

# Amber Tiles, Panels, Furnishes

# Amber Tiles, Panels, Furnishes

Natural Amber panels are completely ready for using in walls furnishing and decorations of all surfaces and products. They are the basis for creation of amber tiles and decorative elements.

Panel thickness varies from 5mm to 20mm. They can be cut into desired size pieces.
